PUBLIC SAFETY

Siena Hall • 631-4052/Front Gate • 631-4282

TBD, Director

Public Safety is responsible for safety and security programs, crime prevention, parking control, and escort services on campus property. Public Safety officers patrol the campus; respond to reports of crimes, fire alarms, medical emergencies and requests for assistance; and also enforce campus traffic and parking regulations. All students, faculty, staff, and administration are required to register any vehicle on campus and must display a current SMC parking permit. While the Moraga Police Department is the official governmental law enforcement agency for our campus, the Saint Mary's College Department of Public Safety, as a non-sworn security organization, provides the day-to-day, 24-hour security and safety presence on campus. The College requests that all crimes be reported to the Department of Public Safety. While the Department of Public Safety contacts the Moraga Police Department for further investigation and follow-up on criminal matters as appropriate, all victims of crimes retain the right to contact the Moraga Police Department directly for any criminal matter. On request, the Department of Public Safety will supply campus crime statistics, in compliance with the Campus Security Act.

PUBLIC TRANSPORTATION

676-7500

County Connection bus service Routes 106 and 206 link the College to BART (Bay Area Rapid Transit) and nearby cities. Schedules are available at the Information Center in Filippi Hall.
